

LENNOX HEAD SLSC

Important Patrol Roster Information

On behalf of the Management I would like to thank you for giving up your time volunteering to keep Lennox Head beach safe for all to use.

Patrols

Please take a copy of the official Patrol Roster and Time Table for the 2009/10 summer season. Take five minutes now and check thoroughly as to when your patrols are on. It's your responsibility to know when you are rostered on.

We have 10 patrol teams this season. Some patrol numbers have changes, so don't assume you are on the same patrol number as last year, as you may not be.

The roster has been set up in a way that will help eliminate any absenteeism. Some patrols are competition patrols. These patrols have been rostered to steer clear of carnivals so you do not have to hunt around for substitutes.

Awards

Everyone should look at attempting 1 new award this season so the competitor patrols can be strong with qualifications. Check the notice board for any courses to be run during the season, keep checking and sign up for a new award.

Each season the club is required to enter into a patrol agreement with Surf Life Saving NSW which outlines our obligations to provide patrols on the beach. The patrol roster has been put together to meet this obligation. It is very important for you to help us meet this obligation by turning up to your patrols as rostered. This way we can ensure an efficient patrol operation here at Lennox Head SLSC and the work load is shared.

New Courses to be run are also available on the Lennox Head SLSC Website.

Phone contacts

Please check your phone contact on the patrol roster. If it is incorrect or we do not have your mobile numbers please email those details to lennoxsurfclub@yahoo.com.au

Substitutes

Due to our obligations under the patrol agreement it is very important that you find a substitute if you are unable to make any of your rostered patrols. It is also important that you find someone that is able to fill your role in the patrol. i.e. if you are the IRB driver you need to make sure you have made arrangements that cover that role. If you do not arrange for a substitute then you are also placing a heavier burden on YOUR Patrol members who do turn up.

You have been provided phone numbers with the patrol rosters for your use only to arrange substitutes. Please ring people from the patrol list to arrange a substitute. If you are unable to cover your patrol then please call your Patrol Captain to inform them.

The Patrol Roster and Lists are also available on the Lennox Head SLSC Website.
